

Attention: All NACSW participants and volunteers

Updated: 10/14/2021

This document provides information regarding expectations and requirements regarding trial events as the COVID-19 situation continues to evolve. It is your responsibility to be aware of the current information if you attend an event.

NACSW Event Attendees Requirements and Guidelines

All attendees of an event (competitors, volunteers, officials, etc.) are required to follow all local, state, federal, and CDC orders, guidelines and recommendations including but not limited to travel, social distancing of a minimum of 6' at all times, face masks, hand washing/sanitizing. In the event of conflicting recommendations, guidelines or orders the strictest one will apply.

There may be additional host or facility requirements such as temperature checks a requirement for attending a trial. All attendees must follow all lawful requirements. Hosts will include specifics regarding the applicable requirements and recommendations regarding COVID-19 for their trials in the premium and the final details email. Be aware that this information may change as the trial date approaches. The hosts will make their best effort to update you on these changes as they take place. It is your responsibility to make sure you are willing to follow the requirements and recommendations prior to paying for an entry to the trial. The published cancellation policy will apply.

Please continue to verify spectator guidelines prior to bringing additional people to the event.

Attendees may only attend if they can attest that (1) They do not have COVID-19 nor are they waiting for test results; (2) They have not been tested and found positive for COVID-19 or if they have tested positive for COVID-19, they certify that they have been released by government officials and/or health care providers to resume normal activity without limit; (3) They have not during the past 14 days experienced symptoms associated with COVID-19 including fever, coughing, or shortness of breath OR if they have had symptoms, they are now symptom free and have had a negative test; and (4) They have not within the past 14 days, to the best of their knowledge and belief, been in contact with or exposed to any known carrier of COVID-19 OR if they have been in contact with a known carrier, they have had a negative test.

We also recommend that those in at risk groups follow any local, state, federal, CDC recommendations for staying home.

Anyone in attendance at the trial will be subject to NACSW disciplinary action if they do not adhere to the information in this document.

Any questions relating to a specific event can be sent to the trial host. Any other questions can be sent to trial@nacsw.net
